## Panoramic View Barrel Sauna

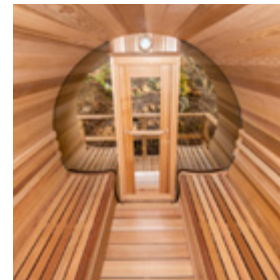

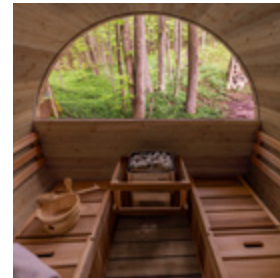

This unique Panoramic View Barrel Sauna offers the opportunity to relax and enjoy a spectacular view. This prefab sauna is constructed of Canadian Western Red Cedar which offers natural insulation. There is a variety of sizes and options available.

## Barrel Sauna

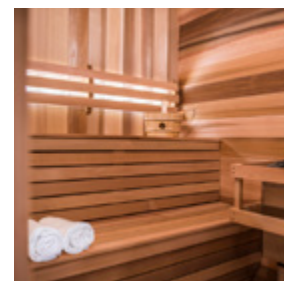

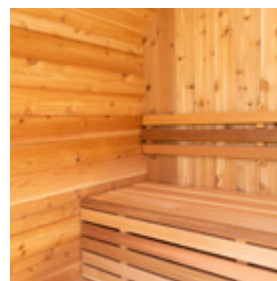

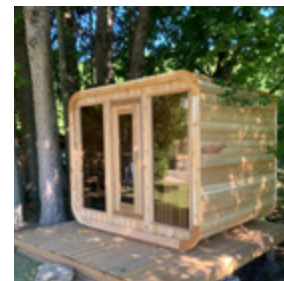

Cedar Barrel Saunas are offered in both Clear Western Red Cedar and Knotty Cedar. The unique round design gives a much smaller heating area than a rectangle sauna to help with the efficiency of the heating. Options include heaters, bench style, porch, floor and windows.

## Luna Sauna

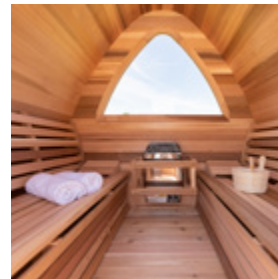

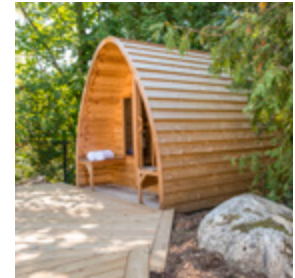

This wonderful and soothing designed outdoor sauna has gently rounded corners for added appeal. The Luna Saunas are offered in both Clear Western Red Cedar and Knotty Cedar. The two Tiers L-shape seating and large front windows give you lots of interior space to enjoy. Various sizes and optional porch are perfect for a family to enjoy all year round.

## POD Sauna

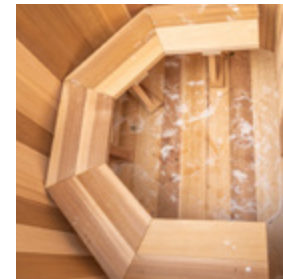

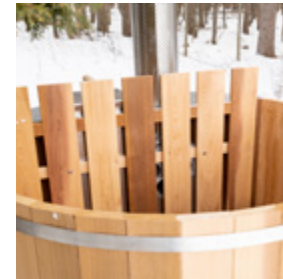

This organic rain-drop-shaped outdoor cedar sauna has many benefits including larger floor space, less space to heat at the top and larger windows. Options include various sizes, optional porch and selection of Clear Western Red Cedar or the more economical Knotty Cedar.

## Cedar Hot Tub

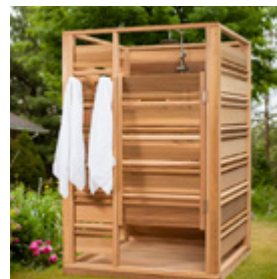

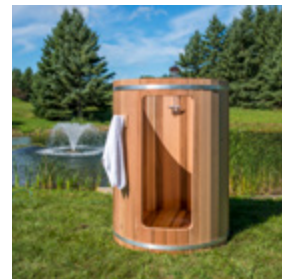

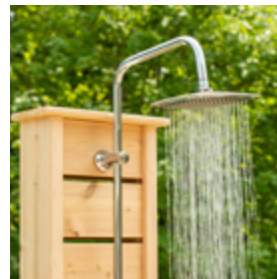

With aluminum bands and stainless steel hardware the cedar tub makes a stylish feature in your yard. The smell of the burning wood adds to the overall atmosphere and the tub can be enjoyed by family and friends on even the coldest of nights. Whether it's a cozy tub for two or a tub that's built for sharing with family and friends, it's your choice.

## Outdoor Showers

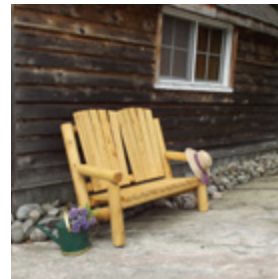

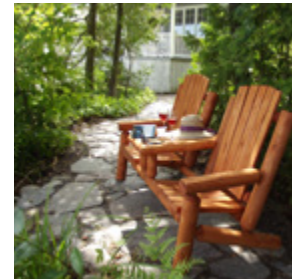

The Outdoor Cedar Showers are perfect to rinse off after a sauna, hot tub, swim of even just to cool-off after being active. We offer various styles from our Rainbow Barrel Shower to the modern Cloudburst Cube style, to the more open air Sunlight shower.

## Outdoor Furniture

The Outdoor Furniture Collections are handcrafted using sustainable Clear Western Red Cedar Knotty and White Cedar. These kits are pre-assembled and packaged for easy assembly. You can be relaxing on your dock, deck of backyard in less than 30 minutes.

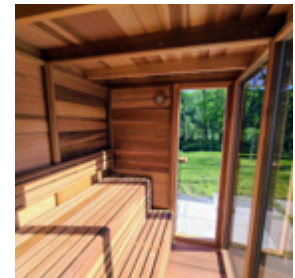

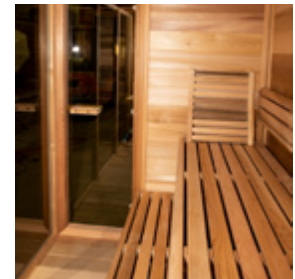

## Pure Cube Sauna Outdoor

The Pure Cube Outdoor Sauna is a charming and spacious design that features two or three large window panels on the front wall and the door on either the left or right sidewall. Create a calm and relaxing atmosphere with the optional semi-privacy panels.

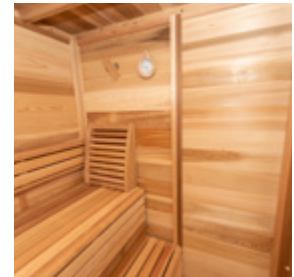

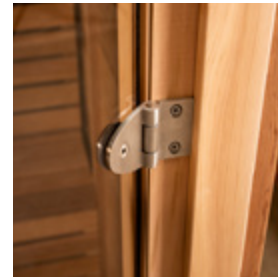

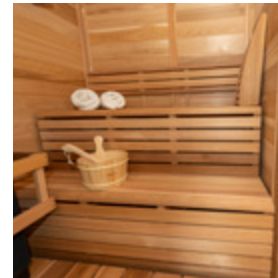

## Pure Cube Sauna Indoor

The Pure Cube Sauna Indoor Sauna is a comfortable and cozy Sauna that is great for couples or small families.

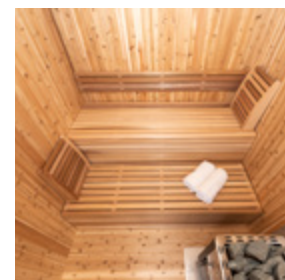

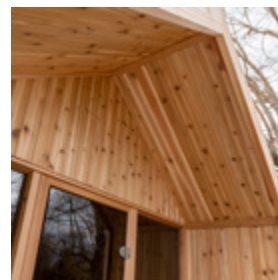

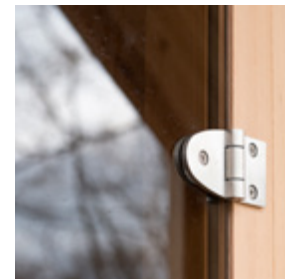

Modernize your indoor space with optional semi-privacy panels that still feature the double-pane glass with a fixed cedar grill on the outside.

## Pure Cube Hudson Sauna Outdoor

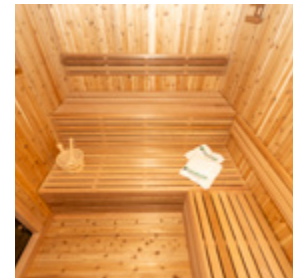

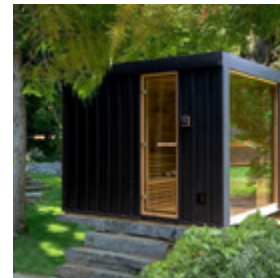

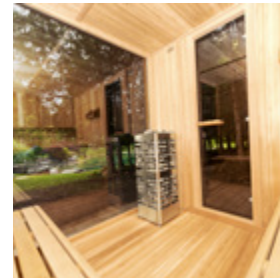

The Pure Cube Hudson Outdoor Sauna is a charming and spacious design that combines the new modern appeal with black metal exterior insulated siding and Western Red Cedar Interior.

## Pure Cube Neptune Sauna

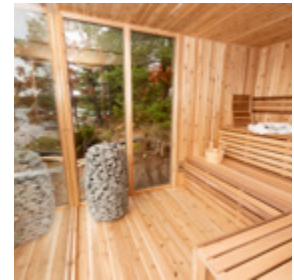

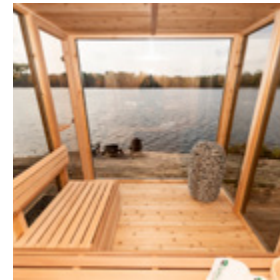

The Pure Cube Neptune Sauna model brings the outdoors inside with its large glass front wall. Surround yourself with nature in this spacious interior with fully insulated floor, walls and roof. The black metal siding on the outside, EPDM on the roof and red cedar interior makes this a characteristic and modern outdoor sauna

## Pure Cube Orion Sauna

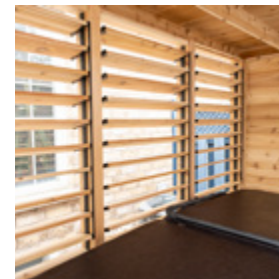

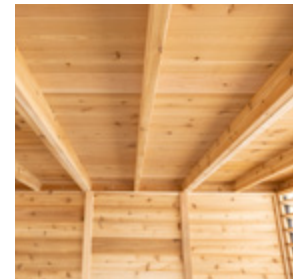

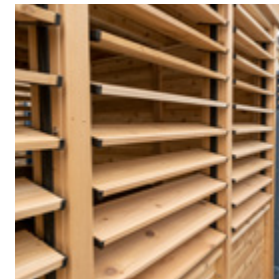

The Pure Cube Orion Sauna truly is a bathing experience like never before. With the 180 degree view through the bronze tempered glass units you can have a sauna session and still feel like you are sitting on your dock or deck. This easy to assembly kit comes with insulated walls, roof and floor and black metal siding on the outside.

## Pure Cube Modular Gazebos

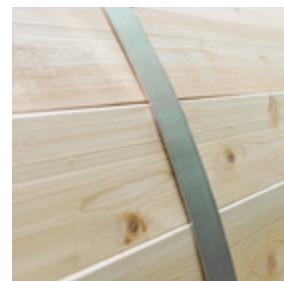

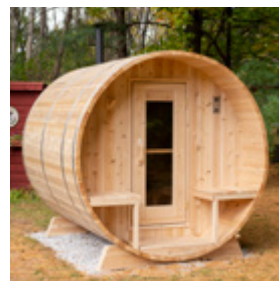

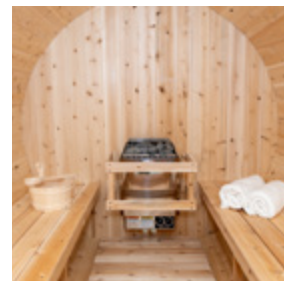

Dundalk LeisureCraft prefabricated gazebo packages are built in Canada for the harsh Canadian weather. Choose from solid wall panels, semi-privacy louvers or open air panels to design the perfect gazebo for your backyard.

## White Cedar Barrel Sauna

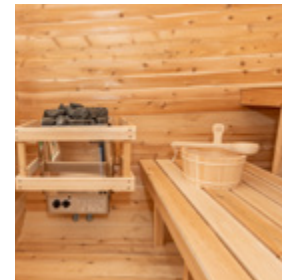

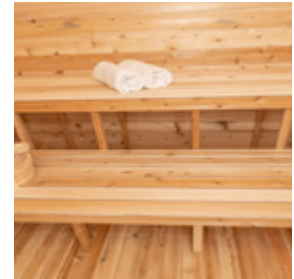

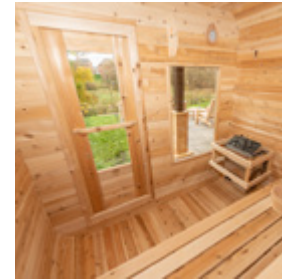

This Canadian Timber Collection Sauna is handcrafted from Eastern White Cedar that is lighter in color and has tight knots in the wood. The White Cedar Barrel Sauna comes in three different sizes and a sturdy bench design for sitting up or laying down.

## White Cedar Luna Sauna

This Candian Timber Collection Luna Sauna is handcrafted from Eastern White Cedar that is lighter in color and his tight knots in the wood. This Luna outdoor Sauna comes with solid cedar floor joists, floor and walls, white cedar bevel siding for the sides and is packaged in a ready to assemble kit.

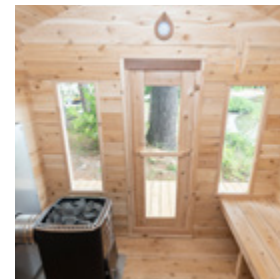

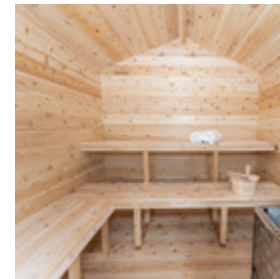

## White Cedar Georgian Sauna

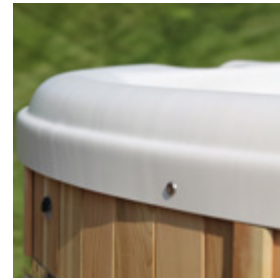

The cabin shape fits in well with all cottages and homes and comes in kit form. The metal shingle roof ensures that your sauna is dry and ready to enjoy. The door is 5mm bronze tempered glass with a wooden frame and pre-hung on the front wall for easy installation.

## Classic Series

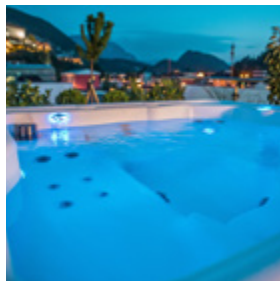

The Nordic tub is made from HDPE, a strong plastic that does not tear and feels wonderfully soft. The Nordic Permashell™ surfaces are easy to maintain and comes with a lifetime warranty. The closed-cell, 2-pound density foam helps to hold your hot tub continuously at the same temperature without losing warmth and keep a low energy use.

### Luxury Series

This four-cornered model is suitable for six adults. The 44 Nordic Star stainless steel massage jets are fully adjustable to offer a warm water massage. The closed-cell, 2-pound density foam helps to hold your hot tub continuously at the same temperature without losing warmth and keep a low energy use. Additionally, the Nordic Permeshell™ surface comes with a lifetime warranty.
