

ELEVATE YOUR COMFORT

COVANA

**THE ONE-OF-A-KIND
AUTOMATED GAZEBO**
FOR HOT TUBS AND SWIM SPAS

YOUR KEY TO HAPPINESS

Born out of a desire to create a simpler, more pleasant, and more accessible spa experience, Covana brings you much more than a regular hot tub cover. In less than 30 seconds, your Covana cover can transform into a modern, luxurious gazebo or pergola, protecting you from bad weather and giving you the comfort and intimacy you need. Never again will you struggle with opening a heavy cover, the Covana system allows you to access your hot tub quickly and effortlessly. Designed to open and close at the turn of a key, your automated cover can be safely and fully locked, ensuring you control and peace of mind.

Made in Canada using sustainable, high-quality materials, our products are designed to endure the most rigorous climates while saving you money on heating bills and maintenance products. The Covana system's durability guarantees you comfortable, hassle-free, year-round use of your hot tub.

Designed and built by the Canimex Group, Covana's unique automatization system is the result of a collaborative effort between several of our divisions and partners. Since its creation, Covana has evolved into a trusted brand thanks to its ability to bring safety, comfort and elegance to your backyard.

Legend

Performance generator

Triumph is in reach with the Covana Legend, the automated cover that helps you get the most out of your workouts. In addition to providing easy access to your swim spa, the Legend protects you at all times from the elements, so you can keep your body and mind focused on boosting your potential and achieving your goals. This environment is designed to eliminate any barrier to your success.

SPACE SAVING

QUIET OPERATION

HASSLE-FREE
BATTERY-POWERED OPTION

SPECIFICATIONS

COMPATIBLE HOT TUBS

As an option, replace the standard AC powered system with the battery-powered version. You will get a set of two batteries.

EU - UK - Oceania

24 V battery pack and charger compatible with:
230V, 50 Hz, 10 A

*Check compatibility with your local retailer.

FEATURES

SPACE SAVING

Unlike traditional spa covers that often take up too much space, the Covana Legend has been smartly designed to maximize your personal space. Rediscover the pleasure of your swim spa in an uncluttered environment that's sleeker and more welcoming than ever.

QUIET OPERATION

Enjoy quiet operation, the most discreet in the entire Covana range. With its exclusive geared motor and electronic circuit board, the Covana Legend cover gently rises and lowers for a welcoming and calming experience.

HASSLE-FREE BATTERY-POWERED OPTION

The battery-powered Legend complies with North American, European, Australian and New Zealand standards, offering a practical, space-saving solution. The reliable battery powers the cover with ease with no electrical installation required.

Evolution

MODERN DESIGN

Comfort reinvented

Innovation meets simplicity with the Covana Evolution. While its flat roof seduces with a modern, refined aesthetic, its main asset is the ingenious modular design that allows it to be adjusted for most spa configurations. Brilliant for its versatility and functional elegance, the Evolution offers optimal relaxation without fuss nor compromise.

FEATURES

SLEEK BLACK DESIGN

Its deep black roof and ceiling allow the Covana Oasis Midnight Edition to blend in subtly and gracefully with your environment.

INTEGRATED AMBIENT LIGHTING

The Covana Oasis Midnight features a multi-option LED lighting system. The colours can flow smoothly together to create a soothing space or come alive for a more dynamic and festive ambiance.

SLOPED ROOF

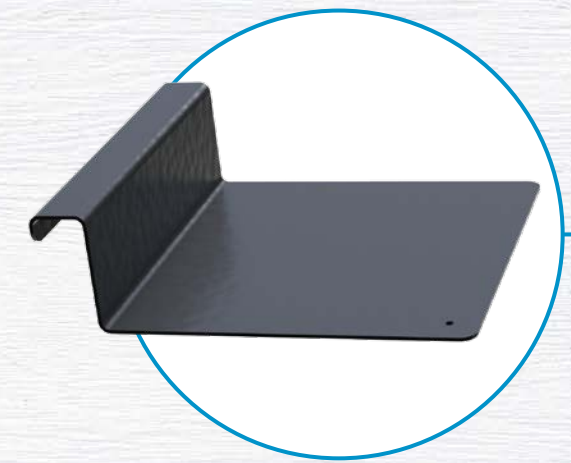

The natural slope of the Covana Oasis Midnight reduces water and snow accumulation for greater peace of mind.

ACCESSORIES

MOUNTING PLATES

Simplify your spa setup with our easy-to-place, non-permanent mounting plates. They're perfect for securely fastening the Oasis and Evolution models, especially on surfaces where ground anchoring is not an option. These plates are specifically designed for spas wider than 82 inches (208 cm) (standard model) and over 87 inches (221 cm) (long model), allowing you to install your spa without the need for drilling.

ADVANTAGES THAT MAKE ALL THE DIFFERENCE

DURABLE

Made with premium materials, Covana systems are designed to resist bad weather conditions. Their durability is far superior to traditional covers.

ENERGY EFFICIENT

The airtight Covana cover saves you money by minimizing water evaporation and heat loss. Its high insulation value makes Covana one of the most efficient covers on the market.

EASY TO USE

Fully automated Covana systems are activated with a simple turn of the key to provide effortless handling and quicker access to your spa.

STRONG

The Covana cover's robust construction supports a greater load than traditional covers, thus taking a weight off your shoulders*. Enjoy your spa all year round.

*We recommend removing excess snow or water to avoid accumulation.

UNIVERSAL

Covana products fit the majority of available spa brands and sizes.

CUSTOMIZABLE

All Covana models are available in a variety of finishes and colours to match your layout. Plus, our selection of shades lets you determine the ambiance and level of privacy you desire for your spa.

CERTIFIED

Covana automated covers meet strict ULC, UL, CE and RCM standards, so you can relax with complete peace of mind.

RENOWNED

Covana has been making its mark in the industry since 2008. As part of the Canimex Group, the brand benefits from the engineering and manufacturing expertise of a renowned organization that operates in more than 70 countries.

2-IN-1

Covana products combine all the advantages of a gazebo and a spa cover. They allow you to fully enjoy your spa or get a completely unobstructed view of your landscaping, depending on your preference.

SECURE

The Covana cover locking system controls spa access, increasing safety for children and pets.

SAFE

Covana covers feature pneumatic struts that mechanically prevent them from failing and suddenly closing.
